TECHNICAL EXPERTISE

- **Programming Languages :**
  Java, JavaScript, TypeScript

- **DBMS :**
  Oracle Database, MySQL, PostgreSQL

- **Frameworks and Mapping:**
  <u>Spring</u> : Spring boot, Spring web mvc , Spring data , spring security, Hibernate
  <u>Angular</u> : Rooting, standalone ,data binding , state management(rxjs) , directives ,module , services , guards , pipes ..
  <u>Jsf :</u> managed beans, eclipse link ,realm , facesContext

- **Application Servers:**
  Tomcat, Payara5, GlasFishServe

- **IDE:**
  Eclipse, NetBeans, IntelliJ IDEA, VsCode.

- **Tools:**

  – **Report Generation tools :** Jasper iReport
  – **DB Management tools:** Oracle SQL Developer, phpMyAdmin, MySQL Workbench, PgAdmin4
  – **Continuous Integration :** Maven, svn, git (github)
  – **Project Managemen :** Méthodes Agiles(Scrum)
  – **Virtualization :** MobaXterm, VirtualBox

EXPERIENCE

12/2021 - now   **DAMAGE ERP**   ALLIANCE ASSURANCE
- Contribute to the development of insurance production, claims, administration and other units.
- Designed and developed new modules.
- Prepared reports (sheets and contracts).
- Technical support for resolving issues or adding new features.

  Technologies :
  ```
  Jsf2.3  /  Java 8  /  JEE7  /  PrimeFaces8  /  Oracle Database  /  Svn  /  EclipseLink  /
  Ejb  /  Slack  /  Ms Teams  /  Jira  /  AnyDesc
  ```

11/2021 - now   **LIFE ERP**   MACIR VIE
- Contributed to migration from PrimeFaces 6 to PrimeFaces 8.
- Prepared reports (sheets and contracts).
- Technical support for resolving issues or adding new features.

  Technologies :
  ```
  Jsf2.3  /  Java 8  /  JEE7  /  PrimeFaces8  /  Oracle Database  /  git  /  EclipseLink  /
  Ejb  /  Slack  /  Ms Teams  /  Jira  /  AnyDesc
  ```

04/2024 - now   **MOUATIKI (https://mouatiki.allianceassurances.com.dz)**   ALLIANCE ASSURANCE
- Developed a web application for managing subscriptions to natural disaster insurance products.
- Prepared reports (sheets and contracts).
- Technical support for resolving issues or adding new features.

  Technologies :
  ```
  Jsf2.3  /  Java 8  /  JEE7  /  PrimeFaces8  /  Oracle Database  /  git  /  EclipseLink  /
  Spring security  /  Ejb  /  Slack  /  Ms Teams  /  Jira  /  AnyDesc
  ```

| 11/2021 - now | **WEBSITE and DASHBOARD (CMS) ALLIANCE ASSURANCE** | **ALLIANCE ASSURANCE** |

· Designed and developed the website **https://allianceassurances.com.dz**
· Designed and developed the CMS **https://dash.allianceassurances.com.dz**
· Technical support for resolving issues or adding new features.

Technologies :
```
Java8    / Spring Framework  / Spring Boot  / Spring Data   / Angular 8   / PrimeNg
framework  / HTML5/CSS3   / Json   / JavaScript   / TypeScript   / Npm   / Nvm   /
Oracle Database  / SQL Server  / IntelliJ idea  / VsCode  / Postman  / MobaXterm
/ FileZilla / SEO outils
```

| 03/2023 - 09/2023 | **B-link GRH APP (https://rh.b-link.io)** | **Pilot Application** |

· **Developed Back-end part :** Designed and implemented server-side functionalities, database management, and API integration.
· **Developed Front-end part :** Created and optimized user interfaces for a smooth and intuitive user experience.
· Prepared reports.

Technologies :
```
Java8    / Spring Framework   / Spring Boot   / Spring Data   / Angular 8 / PrimeNg
framework  / HTML5/CSS3 / Json  / JavaScript / TypeScript / Nodejs / Npm / Nvm
/ Oracle Database  / SQL Server  / IntelliJ idea  / VsCode  / Postman  / MobaXterm
/ FileZilla
```

| 11/2023 | **Ameni Website (https://ameni.b-link.io/)** | **pilot Application** |

· **Developed Back-end part :** Designed and implemented server-side functionalities, database management, and API integration.
· **Developed Front-end part :** Created and optimized user interfaces for a smooth and intuitive user experience.

Technologies :
```
Java8  / Spring Framework  / Spring Boot  / Spring Data  / Angular 8  / HTML5/CSS3 /
Json  / JavaScript  / TypeScript  / Nodejs  / Npm  / Nvm  / Oracle Database  / SQL
Server  / IntelliJ idea  / VsCode  / Postman  / MobaXterm / FileZilla
```

| 01/2024 - 03/2024 | **B-link Comparator APP (https://comp.b-link.io/)** | **pilot Application** |

· **Developed Front-end part :** Created and optimized user interfaces for a smooth and intuitive user experience.

Technologies :
```
Angular 17  / Rxjs  / HTML5/ CSS3  / Json  / JavaScript  / TypeScript  / NodeJs  /
Npm / Nvm  / Oracle Database  / SQL Server  / IntelliJ idea  / VsCode  / Postman  /
MobaXterm  / FileZilla
```

| 05/2024 - 11/2024 | **Ameni/WE insurance APP (https://am.b-link.io/) (https://we.b-link.io/)** | **Pilot Application** |

·

Developed Front-end part : Created and optimized user interfaces for a smooth and intuitive user experience.

Technologies :
```
Angular 18  / Rxjs  / HTML5/ CSS3  / Json  / JavaScript  / TypeScript  / NodeJs  /
Npm / Nvm  / Oracle Database  / SQL Server  / IntelliJ idea  / VsCode  / Postman  /
MobaXterm  / FileZilla
```

| 01/2024 - current | **MOI GOV KSA** | **moi website** |

· **Développement de la partie Front-end :** Création et optimisation des interfaces utilisateur, assurant une expérience fluide et intuitive pour les utilisateurs finaux.

Technologies :
```
Angular 19  / Rxjs  / HTML5/ CSS3  / Tailwind css  / dot net  / Json  / JavaScript
/ TypeScript  / NodeJs  / Npm  / Nvm  / VsCode  / Postman
```

EDUCATION

| 2019 - 2021 | **Master's in Computer Science, Software Engineering Option** | **University Abdelhamid Mehri Constantine** |

Final course project : Development of a desktop application for the diagnosis and treatment of an epidemic

| 2017 - 2019 | **Bachelor's in Computer Science, Software Engineering Option** | **University Abdelhamid Mehri Constantine** |

Final course project : Development of an E-commerce web application with a simple mobile webview application
